COD. 702/SG

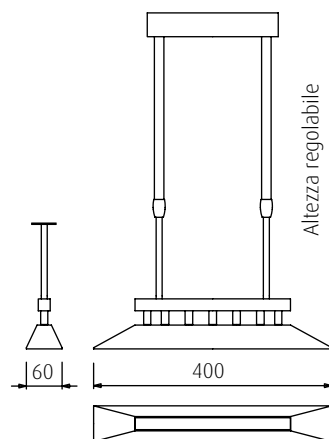

Lampada a sospensione con doppio diffusore in cristallo ottico lavorato a mano con finitura trasparente. Struttura in metallo cromato.

Suspension lamp with double optical crystal diffuser, handmade with transparent finishing. Structure in metal chrome.

G4 8 x 20W 12V

Vedi pag. / page 3

COD. 702/SP

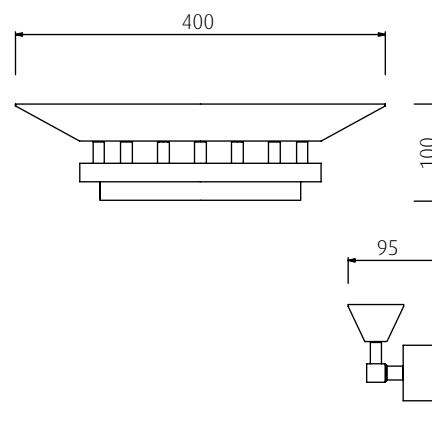

Lampada a sospensione con diffusore in cristallo ottico lavorato a mano con finitura trasparente. Struttura in metallo cromato.

Suspension lamp with optical crystal diffuser, handmade with transparent finishing. Structure in metal chrome.

G4 5 x 20W 12V

Vedi pag. / page 4

COD. 702/APP

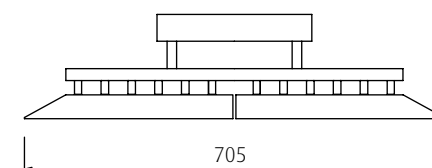

Lampada da parete con diffusore in cristallo ottico lavorato a mano con finitura trasparente. Struttura in metallo cromato.

Wall lamp with optical crystal diffuser, handmade with transparent finishing. Structure in metal chrome.

G4 5 x 20W 12V

Vedi pag. / page 4

COD. 702/APG

Lampada da soffitto con doppio diffusore in cristallo ottico lavorato a mano con finitura trasparente. Struttura in metallo cromato.

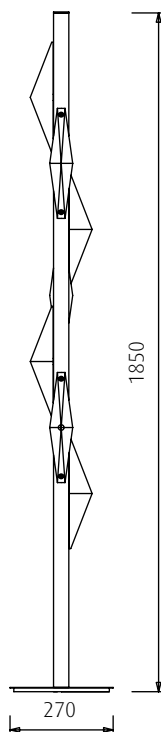

G4 8 x 20W 12V

Ceiling lamp with double optical crystal diffuser, handmade with transparent finishing. Structure in metal chrome.

G4 8 x 20W 12V

Vedi pag. / page 4

COD. 703/PG

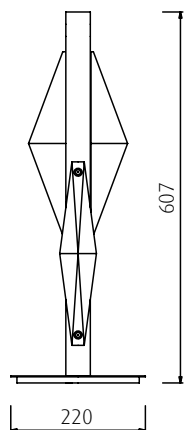

Lampada da terra con diffusori in cristallo ottico lavorato a mano con finitura trasparente. Struttura in metallo cromato.

Floor lamp with double optical crystal diffuser, handmade with transparent finishing. Structure in metal chrome.

G4 7 x 20W 12V

Vedi pag. / page 6

COD. 703/LG

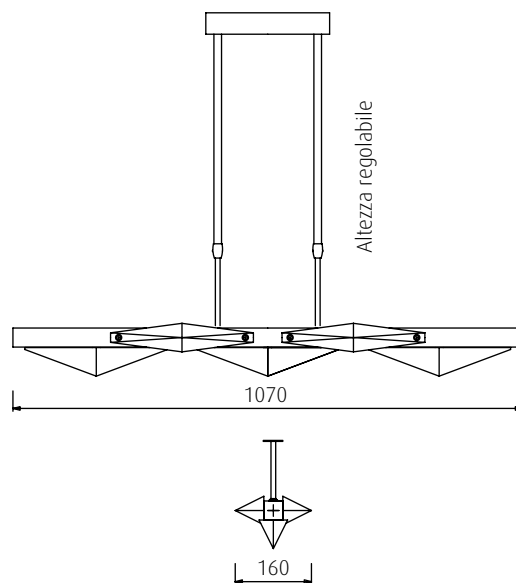

Lampada da tavolo con diffusori in cristallo ottico lavorato a mano con finitura trasparente. Struttura in metallo cromato.

Table lamp with optical crystal diffuser, handmade with transparent finishing. Structure in metal chrome.

G4 4 x 20W 12V

Vedi pag. / page 6

COD. 703/SG

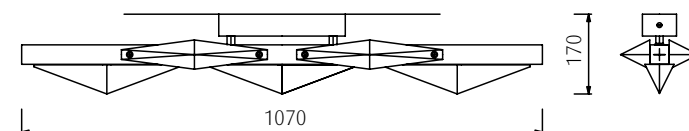

Lampada a sospensione con diffusori in cristallo ottico lavorato a mano con finitura trasparente. Struttura in metallo cromato.

Suspension lamp with optical crystal diffuser, handmade with transparent finishing. Structure in metal chrome.

G4 7 x 20W 12V

Vedi pag. / page 8

COD. 703/APG

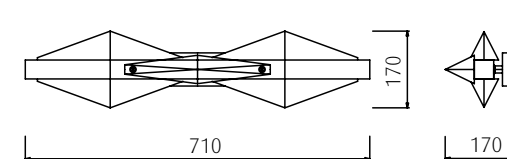

Lampada da parete con diffusori in cristallo ottico lavorato a mano con finitura trasparente. Struttura in metallo cromato.

G4 7 x 20W 12V

Vedi pag. / page 9

Wall lamp with optical crystal diffuser, handmade with transparent finishing. Structure in metal chrome.

COD. 703/APP

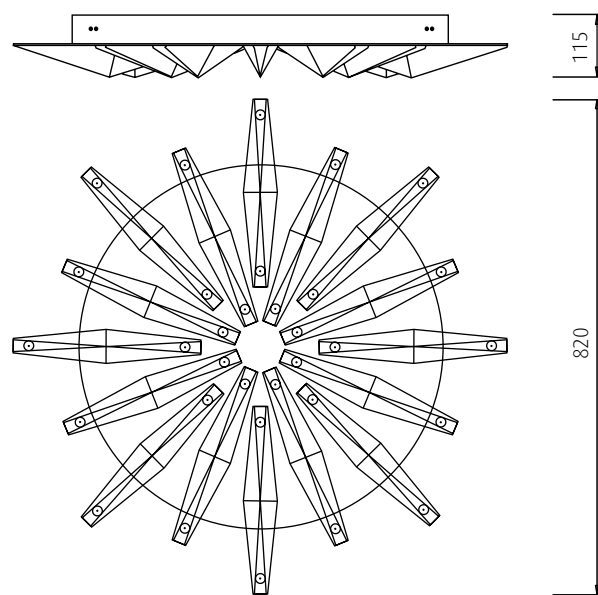

Lampada da soffitto con diffusori in cristallo ottico lavorato a mano con finitura trasparente. Struttura in metallo cromato.

G4 5 x 20W 12V

Vedi pag. / page 10

Wall lamp with optical crystal diffuser, handmade with transparent finishing. Structure in metal chrome.

COD. 703/APR16

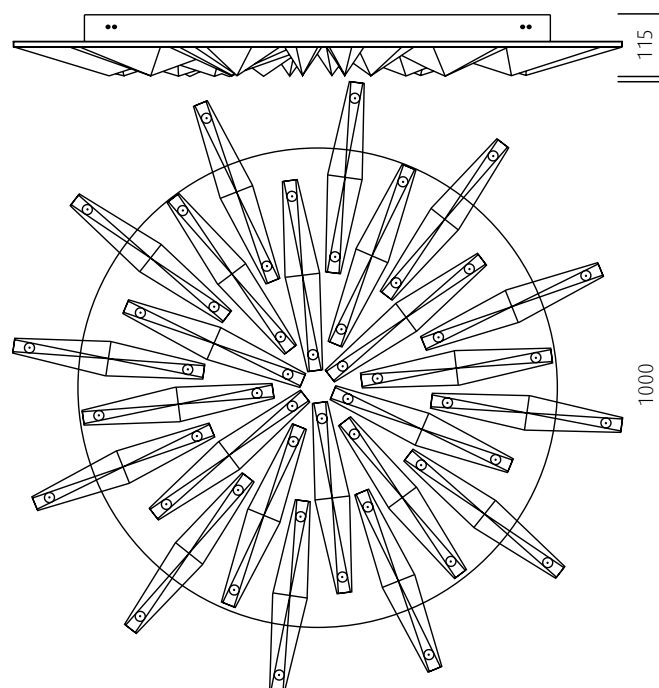

Lampada da parete/soffitto con diffusore in cristallo ottico lavorato a mano con finitura trasparente. Struttura verniciata nero opaco, sottovetro acciaio lucido.

Wall/ceiling lamp small with optical crystal diffuser, handmade with transparent finishing. Structure painted black, polished steel under glass.

 G4 16 x 20W 12V

Vedi pag. / page 11

COD. 703/APR24

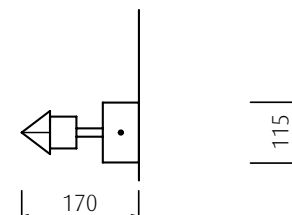

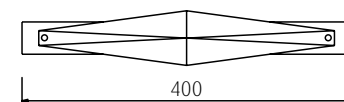

Lampada da parete/soffitto con diffusore in cristallo ottico lavorato a mano con finitura trasparente. Struttura verniciata nero opaco, sottovetro acciaio lucido.

Wall/ceiling lamp big with optical crystal diffuser, handmade with transparent finishing. Structure painted black, polished steel under glass.

 G4 24 x 20W 12V

Vedi pag. / page 11

COD. 703/AP1

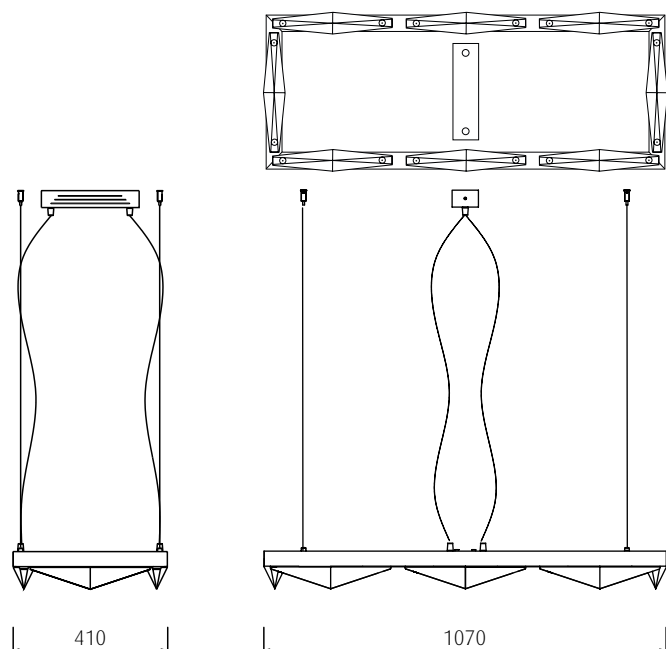

Lampada da parete con diffusore in cristallo ottico lavorato a mano con finitura trasparente. Struttura in metallo cromato.

Wall lamp with optical crystal diffuser, handmade with transparent finishing. Structure in metal chrome.

 G4 1 x 20W 12V

Vedi pag. / page 11

COD. 703/SRT8

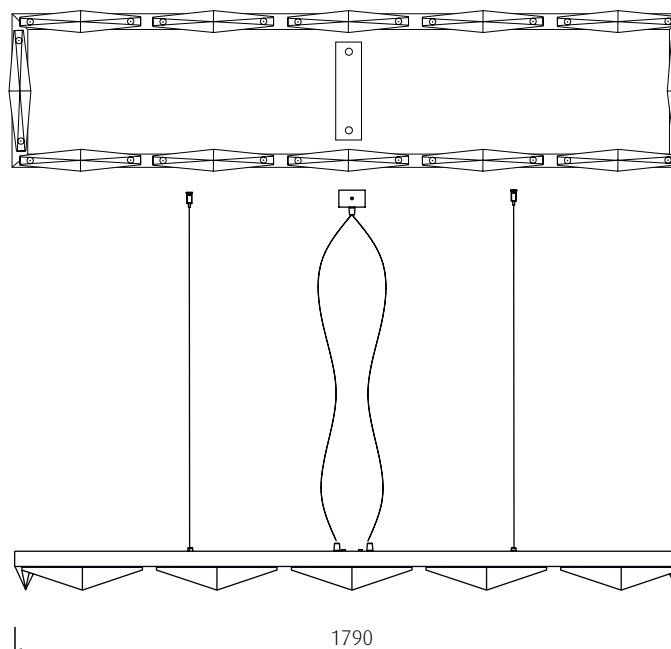

Lampada a sospensione con diffusore in cristallo ottico lavorato a mano con finitura trasparente. Struttura in metallo cromato.

Suspension lamp small with optical crystal diffuser, handmade with transparent finishing. Structure in metal chrome.

 G4 8 x 20W 12V

Vedi pag. / page 12

COD. 703/SRT12

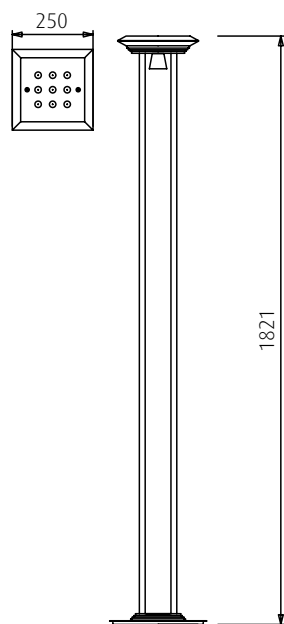

Lampada a sospensione con diffusore in cristallo ottico lavorato a mano con finitura trasparente. Struttura in metallo cromato.

Suspension lamp big with optical crystal diffuser, handmade with transparent finishing. Structure in metal chrome.

 G4 12 x 20W 12V

Vedi pag. / page 12

COD. 700/PG

Lampada da terra con diffusore in cristallo ottico lavorato a mano con finitura trasparente. Struttura in metallo cromato.

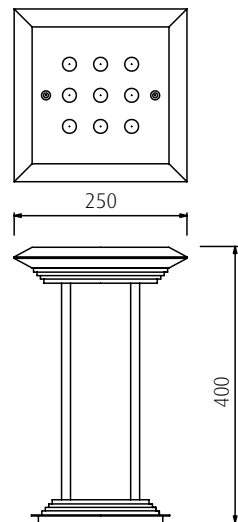

Floor lamp with optical crystal diffuser, handmade with transparent finishing. Structure in metal chrome.

G4 9 x 10W 12V

1 x 35W 12V

Vedi pag. / page 14

COD. 700/LG

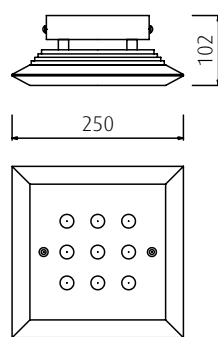

Lampada da tavolo con diffusore in cristallo ottico lavorato a mano con finitura trasparente. Struttura in metallo cromato.

Table lamp with optical crystal diffuser, handmade with transparent finishing. Structure in metal chrome.

G4 9 x 10W 12V

Vedi pag. / page 14

COD. 700/AP

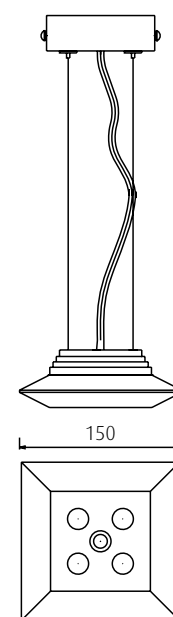

Lampada da soffitto con diffusore in cristallo ottico lavorato a mano con finitura trasparente. Struttura in metallo cromato.

Ceiling lamp with optical crystal diffuser, handmade with transparent finishing. Structure in metal chrome.

G4 9 x 20W 12V

Vedi pag. / page 16

COD. 700/SP

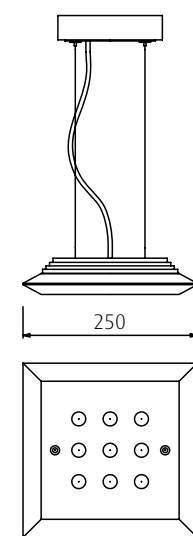

Lampada a sospensione con diffusore in cristallo ottico lavorato a mano con finitura trasparente. Struttura in metallo cromato.

Suspension lamp with optical crystal diffuser, handmade with transparent finishing. Structure in metal chrome.

G4 4 x 20W 12V

Vedi pag. / page 16

COD. 700/SG

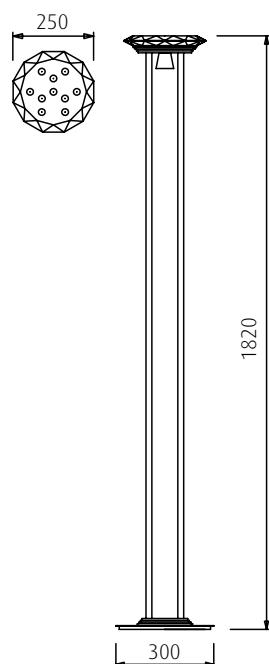

Lampada a sospensione con diffusore in cristallo ottico lavorato a mano con finitura trasparente. Struttura in metallo cromato.

Suspension lamp with optical crystal diffuser, handmade with transparent finishing. Structure in metal chrome.

G4 9 x 20W 12V

Vedi pag. / page 15

COD. 701/PG

Lampada da terra con diffusore in cristallo ottico lavorato a mano con finitura trasparente. Struttura in metallo cromato.

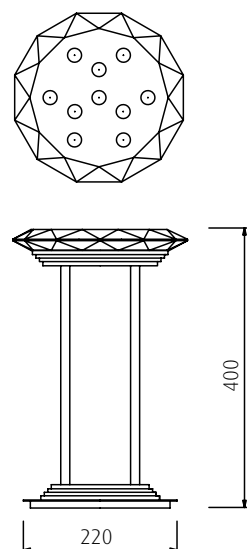

Floor lamp with optical crystal diffuser, handmade with transparent finishing. Structure in metal chrome.

G4 9 x 10W 12V

1 x 35W 12V

Vedi pag. / page 17

COD. 701/LG

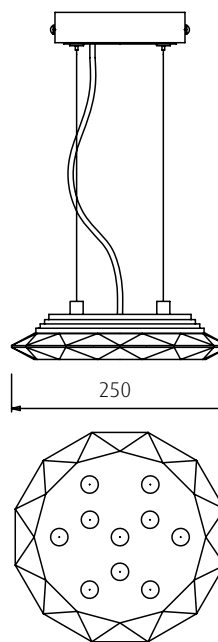

Lampada da tavolo con diffusore in cristallo ottico lavorato a mano con finitura trasparente. Struttura in metallo cromato.

Table lamp with optical crystal diffuser, handmade with transparent finishing. Structure in metal chrome.

G4 9 x 10W 12V

Vedi pag. / page 18

COD. 701/SG

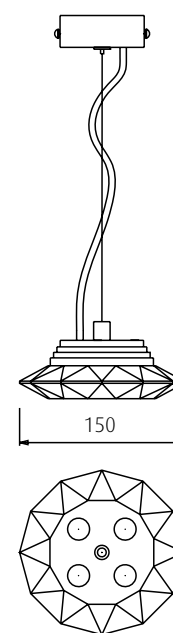

Lampada a sospensione con diffusore in cristallo ottico lavorato a mano con finitura trasparente. Struttura in metallo cromato.

Suspension lamp with optical crystal diffuser, handmade with transparent finishing. Structure in metal chrome.

G4 9 x 20W 12V

Vedi pag. / page 19

COD. 701/SP

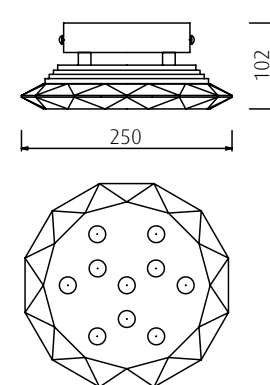

Lampada a sospensione con diffusore in cristallo ottico lavorato a mano con finitura trasparente. Struttura in metallo cromato.

Suspension lamp with optical crystal diffuser, handmade with transparent finishing. Structure in metal chrome.

G4 4 x 20W 12V

Vedi pag. / page 20

COD. 701/AP

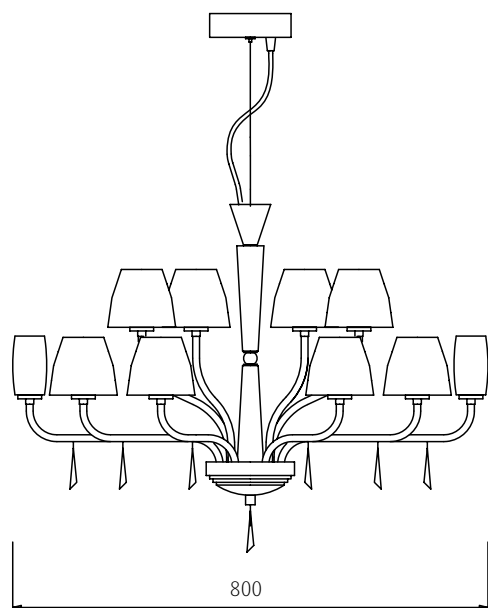

Lampada a soffitto con diffusore in cristallo ottico lavorato a mano con finitura trasparente. Struttura in metallo cromato.

Ceiling lamp with optical crystal diffuser, handmade with transparent finishing. Structure in metal chrome.

G4 9 x 20W 12V

Vedi pag. / page 20

COD. 704/8+4

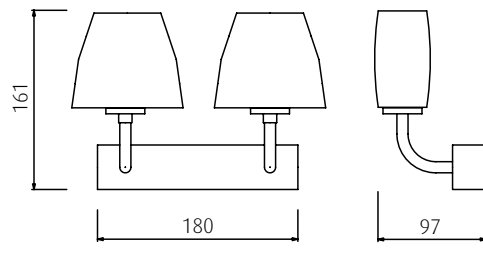

Lampadario con diffusori in cristallo ottico lavorati a mano, pendagli decorativi sfaccettati, finitura trasparente. Struttura in metallo cromato.

Chandelier with optical crystal diffuser, handmade, decorative pendants facets, with transparent finishing. Structure in metal chrome.

 G9 12 x 40W

Vedi pag. / page 21

COD. 704/AP2

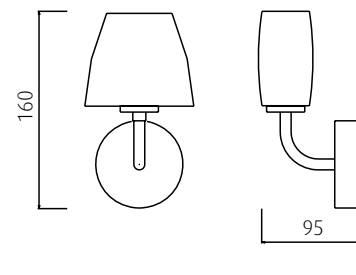

Lampada da parete con diffusori in cristallo ottico lavorati a mano con finitura trasparente. Struttura in metallo cromato.

Wall lamp with optical crystal diffuser, handmade with transparent finishing. Structure in metal chrome.

 G9 2 x 40W

Vedi pag. / page 23

COD. 704/AP1

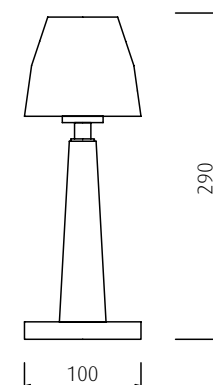

Lampada da parete con diffusore in cristallo ottico lavorato a mano con finitura trasparente. Struttura in metallo cromato.

Wall lamp with optical crystal diffuser, handmade with transparent finishing. Structure in metal chrome.

 G9 1 x 40W

Vedi pag. / page 21

COD. 704/LP

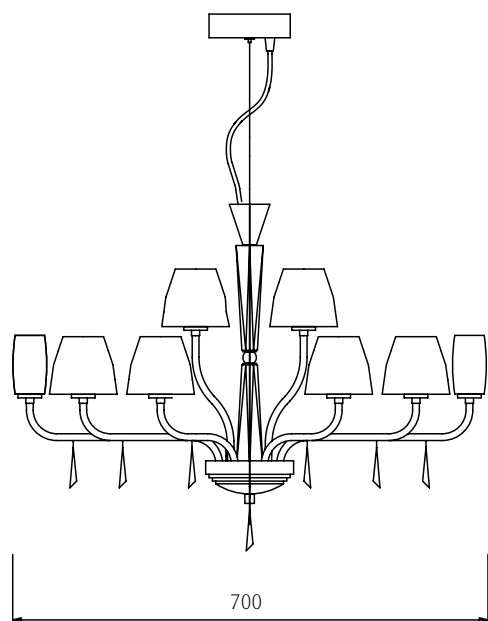

Lampada da tavolo con diffusore in cristallo ottico lavorato a mano con finitura trasparente. Struttura in metallo cromato.

Table lamp with optical crystal diffuser, handmade with transparent finishing. Structure in metal chrome.

 G9 1 x 40W

Vedi pag. / page 24

COD. 704/6+3

Lampadario con diffusori in cristallo ottico lavorati a mano, pendagli decorativi sfaccettati, finitura trasparente. Struttura in metallo cromato.

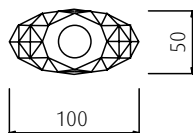

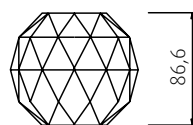

Chandelier with optical crystal diffuser, handmade, decorative pendants facets, with transparent finishing. Structure in metal chrome.

 G9 9 x 40W

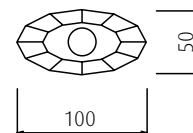

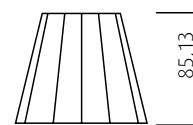

Vedi pag. / page 22

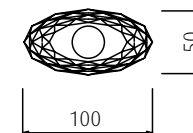

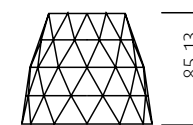

**Gli articoli di questa serie possono avere 3 differenti versioni di cristallo:
Articles in this series may have 3 different versions of Crystal:**

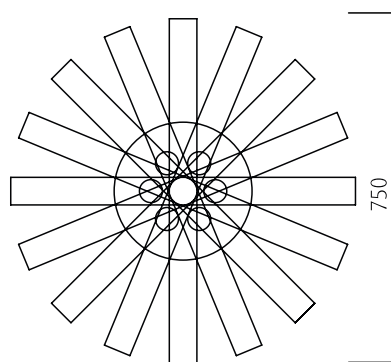

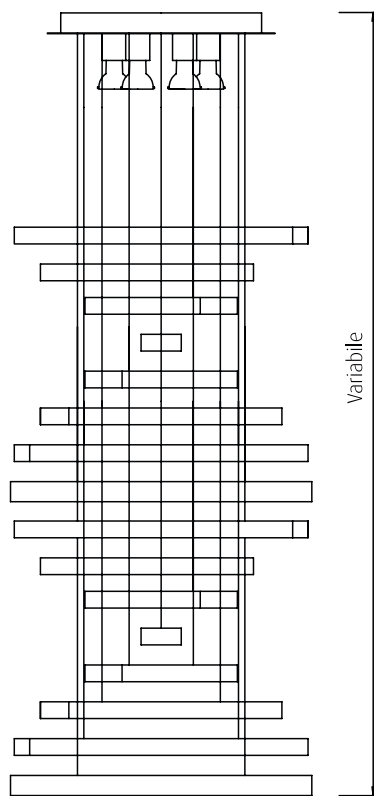

COD. VETRO / GLASS 01

COD. VETRO / GLASS 02

COD. VETRO / GLASS 03

COD. 706/SG16

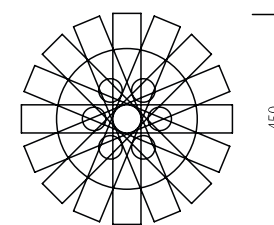

Lampada a sospensione spirale 16 barre grandi da 750 mm in cristallo ottico lavorato a mano con finitura trasparente e nero. Struttura in acciaio lucido.

Spiral suspension lamp 16 big bars of 750 mm optical crystal with handmade finitura transparent and black. Structure in polished steel.

 LED GU10-6 x 9W
GU10 - 6 x 50W max

Vedi pag. / page 25

COD. 706/SP16

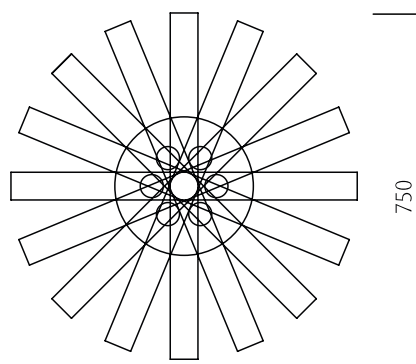

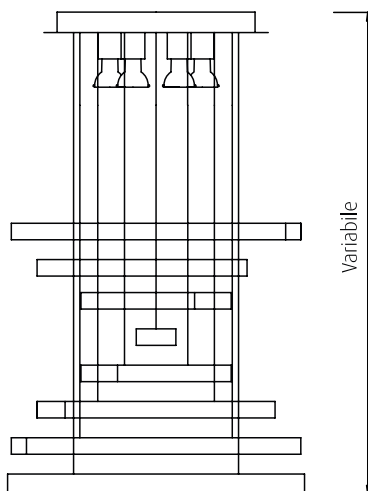

Lampada a sospensione spirale 16 barre piccole da 450 mm in cristallo ottico lavorato a mano con finitura trasparente. Struttura in acciaio lucido.

Spiral suspension lamp 16 small bars of 450 mm optical crystal with handmade finitura transparent and black. Structure in polished steel.

 LED GU10-6 x 9W
GU10 - 6 x 50W max

Vedi pag. / page 25

COD. 706/SG8

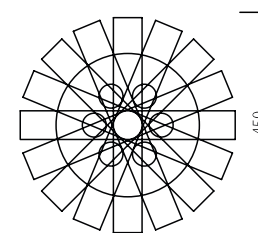

Lampada a sospensione spirale 8 barre grandi da 750 mm in cristallo ottico lavorato a mano con finitura trasparente e nero. Struttura in acciaio lucido.

Spiral suspension lamp 8 big bars of 750 mm optical crystal with handmade finitura transparent and black. Structure in polished steel.

 LED GU10-6 x 9W
GU10 - 6 x 50W max

Vedi pag. / page 27

COD. 706/SP8

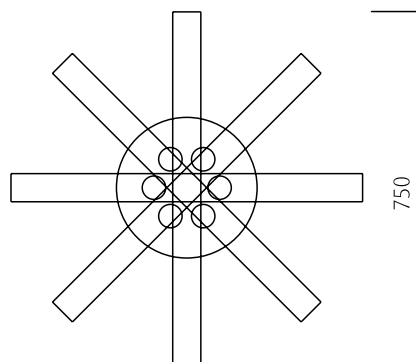

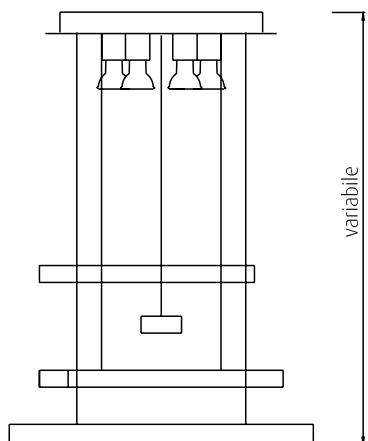

Lampada a sospensione spirale 8 barre piccole da 450 mm in cristallo ottico lavorato a mano con finitura trasparente. Struttura in acciaio lucido.

Spiral suspension lamp 8 small bars of 450 mm optical crystal with handmade finitura transparent and black. Structure in polished steel.

 LED GU10-6 x 9W
GU10 - 6 x 50W max

Vedi pag. / page 27

COD. 706/SG4

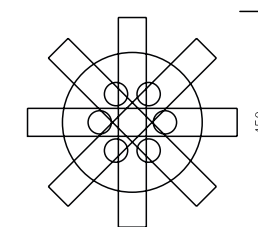

Lampada a sospensione spirale 4 barre grandi da 750 mm in cristallo ottico lavorato a mano con finitura trasparente e nero. Struttura in acciaio lucido.

Spiral suspension lamp 4 big bars of 750 mm optical crystal with handmade finitura transparent and black. Structure in polished steel.

 LED GU10-6 x 9W
GU10 - 6 x 50W max

Vedi pag. / page 29

COD. 706/SP4

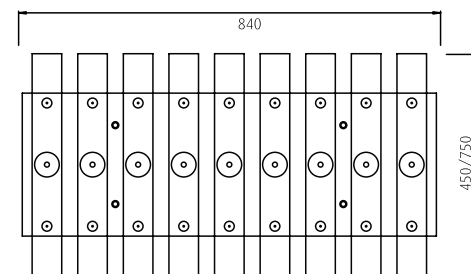

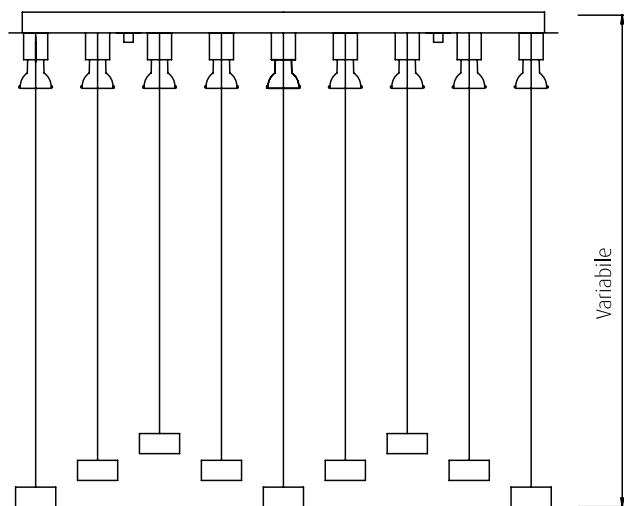

Lampada a sospensione spirale 4 barre piccole da 450 mm in cristallo ottico lavorato a mano con finitura trasparente. Struttura in acciaio lucido.

Spiral suspension lamp 4 small bars of 450 mm optical crystal with handmade finitura transparent and black. Structure in polished steel.

 LED GU10-6 x 9W
GU10 - 6 x 50W max

Vedi pag. / page 29

COD. 706/PG9

Lampada a sospensione pianoforte 9 barre grandi da 750 mm in cristallo ottico lavorato a mano con finitura trasparente e nero. Struttura in acciaio lucido.

Suspension lamp piano 9 big bars 750 mm crystal optical handmade finishing with transparent and black. Structure in polished steel.

Vedi pag. / page 31

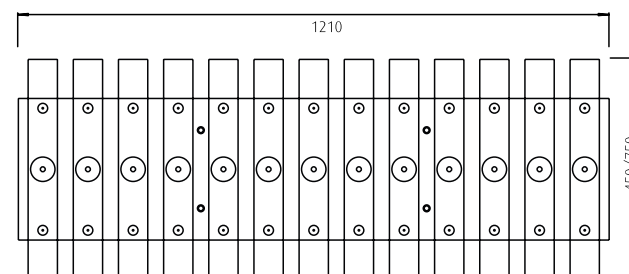

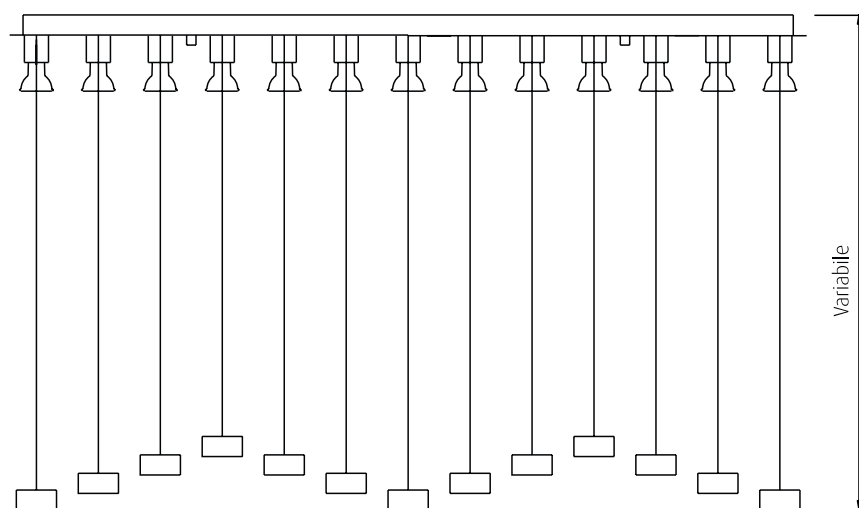

COD. 706/PP9

Lampada a sospensione pianoforte 9 barre piccole da 450 mm in cristallo ottico lavorato a mano con finitura trasparente. Struttura in acciaio lucido.

Suspension lamp piano 9 big bar 450 mm crystal optical handmade finishing with transparent and black. Structure in polished steel.

Vedi pag. / page 31

COD. 706/PG13

Lampada a sospensione pianoforte 13 barre grandi da 750 mm in cristallo ottico lavorato a mano con finitura trasparente e nero. Struttura in acciaio lucido.

Suspension lamp piano 13 big bar 750 mm crystal optical handmade finishing with transparent and black. Structure in polished steel.

Vedi pag. / page 34

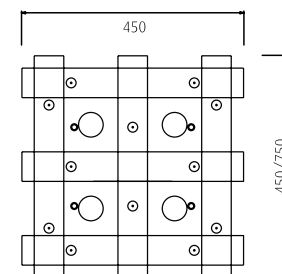

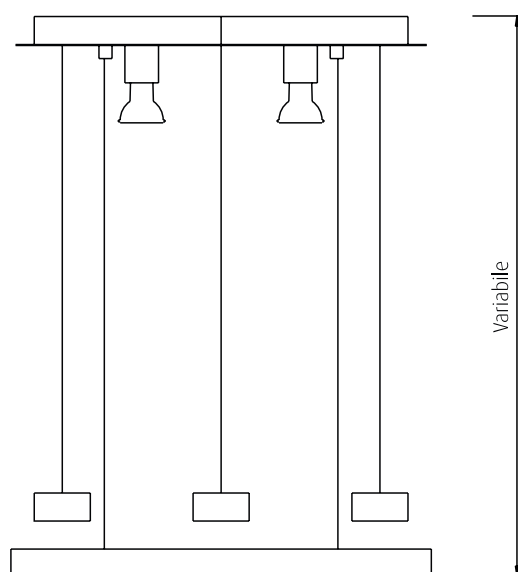

COD. 706/PP13

Lampada a sospensione pianoforte 13 barre piccole da 450 mm in cristallo ottico lavorato a mano con finitura trasparente. Struttura in acciaio lucido.

Suspension lamp piano 13 big bar 450 mm crystal optical handmade finishing with transparent and black. Structure in polished steel.

Vedi pag. / page 34

COD. 706/IG6

Lampada a sospensione intreccio 6 barre grandi da 750 mm in cristallo ottico lavorato a mano con finitura trasparente e nero. Struttura in acciaio lucido.

Suspension lamp interlacement 6 big bars of 750 mm optical crystal with handmade finish and transparent black. Structure in polished steel.

Vedi pag. / page 35

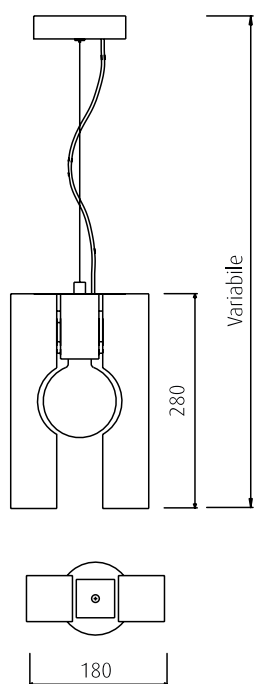

COD. 706/IP6

Lampada a sospensione intreccio 6 barre piccole da 450 mm in cristallo ottico lavorato a mano con finitura trasparente. Struttura in acciaio lucido.

Suspension lamp interlacement 6 small bars of 450 mm optical crystal with handmade finish and transparent black. Structure in polished steel.

Vedi pag. / page 35

COD. 705/SP

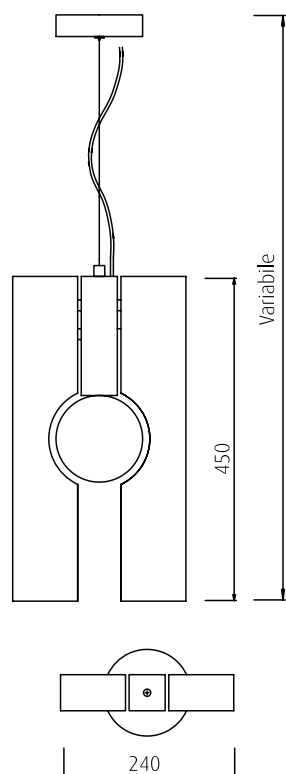

Lampada a sospensione piccola con diffusori in cristallo ottico lavorato a mano con finitura trasparente. Struttura in metallo cromato.

Suspension lamp small with optical crystal diffuser, handmade with transparent finishing. Structure in metal chrome.

 E27 1 x 100w ø 95

Vedi pag. / page 37

COD. 705/SG

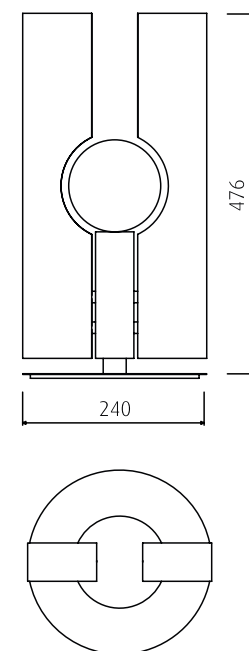

Lampada a sospensione grande con diffusori in cristallo ottico lavorato a mano con finitura trasparente. Struttura in metallo cromato.

Suspension lamp big with optical crystal diffuser, handmade with transparent finishing. Structure in metal chrome.

 E27 1 x 150w ø 120

Vedi pag. / page 37

COD. 705/LG

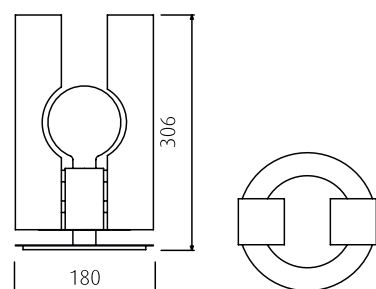

Lampada da tavolo grande con diffusori in cristallo ottico lavorato a mano con finitura trasparente. Struttura in metallo cromato.

Suspension lamp big with optical crystal diffuser, handmade with transparent finishing. Structure in metal chrome.

 E27 1 x 150w ø 120

Vedi pag. / page 38

COD. 705/LP

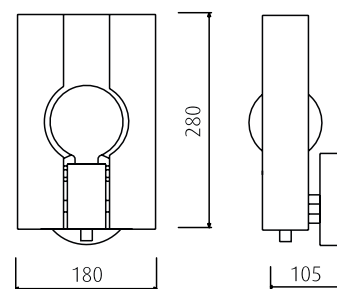

Lampada da tavolo piccola con diffusori in cristallo ottico lavorato a mano con finitura trasparente. Struttura in metallo cromato.

Table lamp small with optical crystal diffuser, handmade with transparent finishing. Structure in metal chrome.

 E27 1 x 100w ø 95

Vedi pag. / page 38

COD. 705/APP

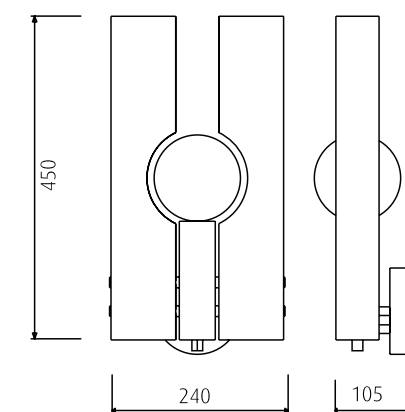

Lampada da parete piccola con diffusori in cristallo ottico lavorato a mano con finitura trasparente. Struttura in metallo cromato.

Wall lamp small with optical crystal diffuser, handmade with transparent finishing. Structure in metal chrome.

 E27 1 x 100w ø 95

Vedi pag. / page 38

COD. 705/APG

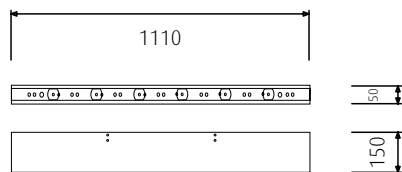

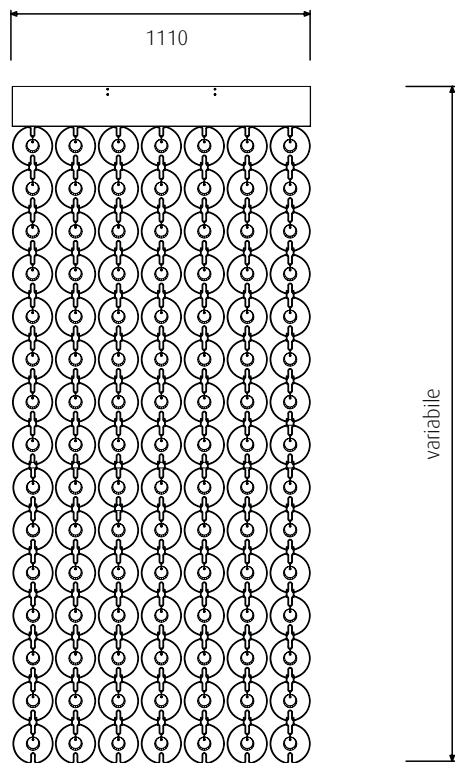

Lampada da parete grande con diffusori in cristallo ottico lavorato a mano con finitura trasparente. Struttura in metallo cromato.

Wall lamp big with optical crystal diffuser, handmade with transparent finishing. Structure in metal chrome.

 E27 1 x 150w ø 120

Vedi pag. / page 38

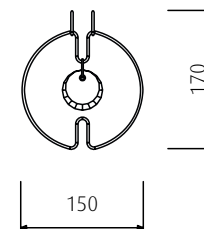

COD. 708/TLP

Struttura in acciaio lucido per lampada da soffitto piccola.

Structure in polished steel small ceiling lamp.

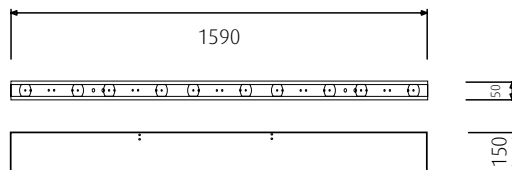

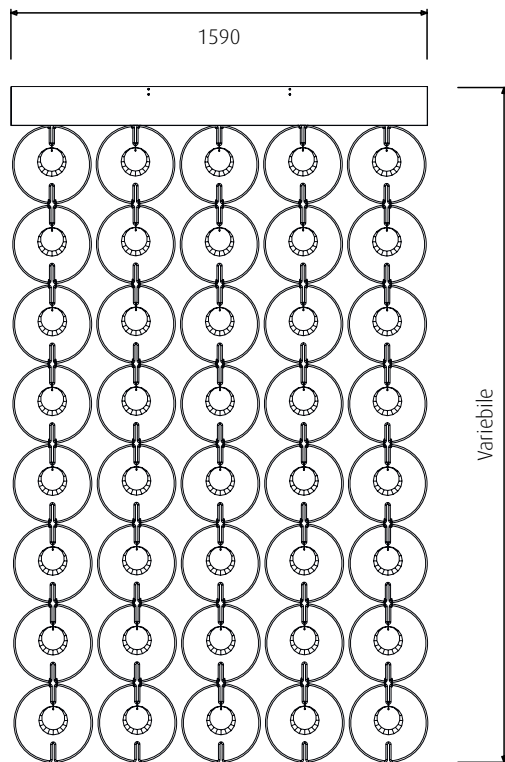

LED GU10-6 x 9W
GU10-6 x 50W

COD. 708/KP

Kit anello cromato e particolare in cristallo ottico lavorato a mano con finitura trasparente.

Chromed ring kits and special optical glass with, handmade finishing transparent.

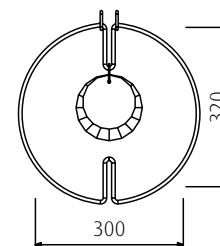

COD. 708/TLG

Struttura in acciaio lucido per lampada da soffitto grande.

Structure in polished steel large ceiling lamp.

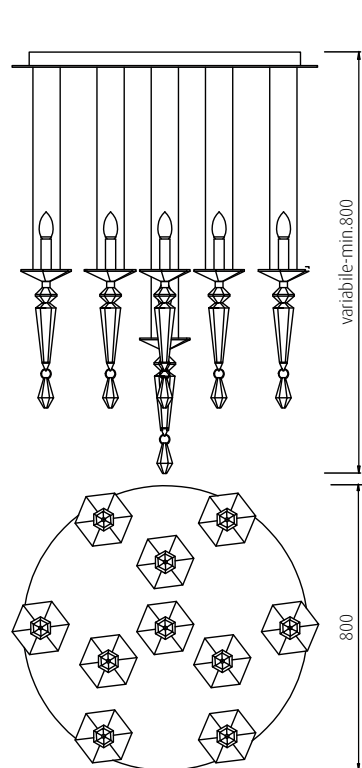

LED GU10-6 x 9W
GU10-10 x 50W

COD. 708/KG

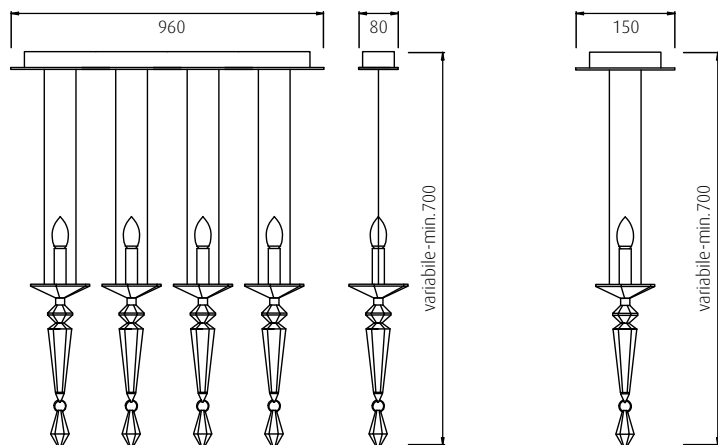

Kit anello cromato e particolare in cristallo ottico lavorato a mano con finitura trasparente.

Chromed ring kits and special optical glass with, handmade finishing transparent.

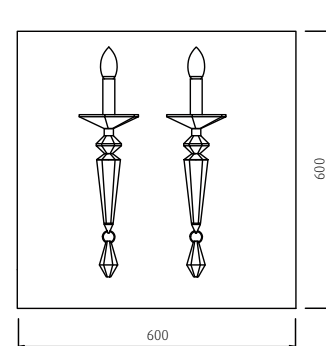

COD. 709/S4

Sospensione 4 luci con particolari in cristallo ottico lavorato a mano. Struttura in metallo cromato/acciaio Inox.
Suspension with 4 lights with optical handmade crystal. Structure in metal chrome/polished iron.

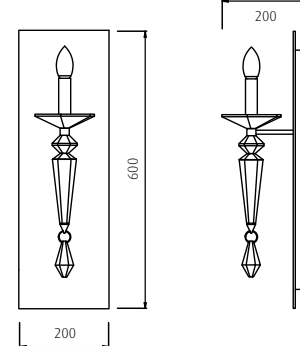

COD. 709/S1

Sospensione con particolari in cristallo ottico lavorato a mano. Struttura in metallo cromato/acciaio Inox.
Suspension with optical handmade crystal. Structure in metal chrome/polished iron.

COD. 709/AP2

Lampada da parete con particolari in cristallo ottico lavorato a mano. Struttura in metallo cromato/acciaio Inox.
Wall lamp with optical handmade crystal. Structure in metal chrome/polished iron.

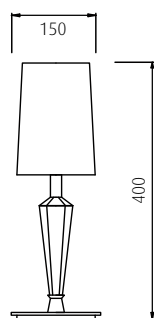

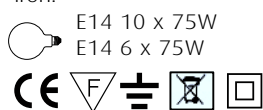

COD. 709/AP1

Lampada da parete con particolari in cristallo ottico lavorato a mano. Struttura in metallo cromato/acciaio Inox.
Wall lamp with optical handmade crystal. Structure in metal chrome/polished iron.

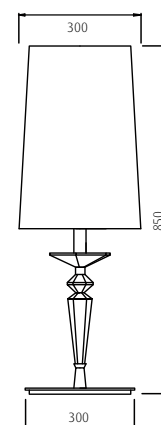

**COD. 709/S10
COD. 709/S6**

Lampada a sospensione 6 o 10 luci con particolari in cristallo ottico lavorato a mano. Struttura in metallo cromato/acciaio Inox.
Suspension lamp 6 or 10 lights with optical handmade crystal. Structure in metal chrome/polished iron.

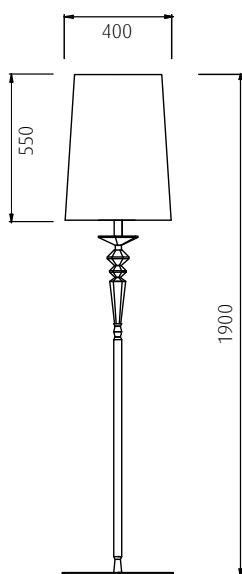

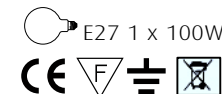

COD. 709/LPP

Lampada da tavolo con paralume e particolari in cristallo ottico lavorato a mano. Struttura in metallo cromato/acciaio Inox.
Table lamp with lampshade and optical handmade crystal. Structure in metal chrome/polished iron.

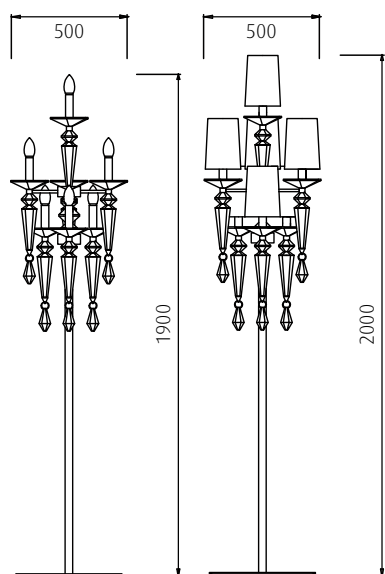

COD. 709/LGP

Lampada da tavolo con paralume e particolari in cristallo ottico lavorato a mano. Struttura in metallo cromato/acciaio Inox.
Table lamp with lampshade and optical handmade crystal. Structure in metal chrome/polished iron.

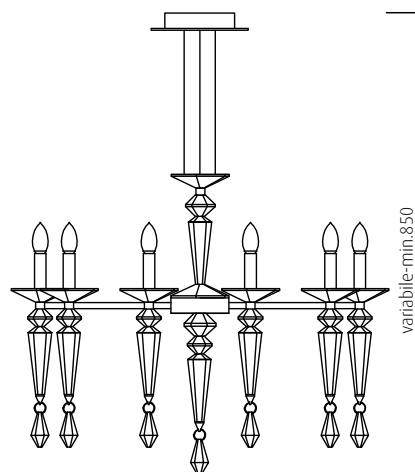

COD. 709/PG1P

Lampada da terra con paralume e particolari in cristallo ottico lavorato a mano. Struttura in metallo cromato/acciaio Inox.
Floor lamp with lampshade and optical handmade crystal. Structure in metal chrome/polished iron.

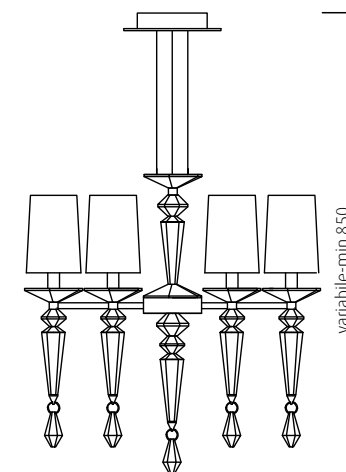

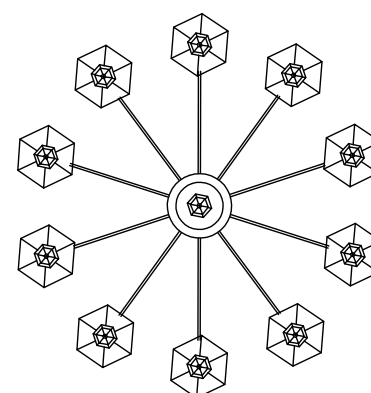

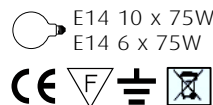

COD. 709/PG7 - COD. 709/PG7P

Lampada da terra 7 luci con e senza paralume con paralume e particolari in cristallo ottico lavorato a mano. Struttura in metallo cromato/acciaio Inox.
Floor lamp 7 lights with and without lampshade and optical handmade crystal. Structure in metal chrome/polished iron.

**COD. 709/10
COD. 709/6**

Lampadario a 6 o 10 luci con particolari in cristallo ottico lavorato a mano. Struttura in metallo cromato/acciaio Inox.
Chandelier 6 or 10 lights with optical handmade crystal. Structure in metal chrome/polished iron.

**COD. 709/10P
COD. 709/6P**

Lampadario a 6 o 10 luci con paralume e particolari in cristallo ottico lavorato a mano. Struttura in metallo cromato/acciaio Inox.
Chandelier 6 or 10 lights with lampshade and optical handmade crystal. Structure in metal chrome/polished iron.
